

TIGER 21

INTEREST-BASED NETWORKS

Outside of monthly Group Meetings, Chapter Activities and events, TIGER 21 Investment and Lifestyle Networks connect Members based on common interests or expertise like Philanthropy, Wine & Spirits, Family Offices, and more.

Network events include virtual roundtables, receptions at the Global Exchange Annual Member Conference, and thought leadership presentations available to the entire Member community.

Network discussions and engagement also take place within their own designated space on T21 Connect, TIGER 21's exclusive app that allows Members to stay in touch with each other, form new connections, securely chat with their Group(s), register for events, and more.
