

INTEREST-BASED NETWORKS

Outside of monthly Group Meetings, Chapter Activities and events, TIGER 21 Investment and Lifestyle Networks such as the *Philanthropy Network*, *Wine & Spirits Network*, and *Family Office Network* connect Members based on common interests or expertise.

Network events are available to the entire Member community, and include virtual roundtables, receptions at the Global Exchange Annual Member Conference, and special in-person events.

Network discussions and engagement also take place within their own designated spaces on T21 Connect, TIGER 21's exclusive app that allows Members to stay in touch with each other, form new connections, securely chat with their Networks and Group(s), register for events, and more.

Learn more about current TIGER 21 Networks available for Members below.

GENERAL MEMBER NETWORKS

MEMBER MARKETPLACE

Share and discuss opportunities and make requests that would be of interest to or could be fulfilled by the Community or their related businesses.

MEMBER-TO-MEMBER

A space to share ideas and new perspectives, ask fellow Members for help or suggestions, and provide resources — all in the spirit of collective intelligence.

AFFINITY NETWORKS

49 & UNDER

Connect with fellow TIGER 21 Members within the same generational peer group to discuss and share insights around raising a young family, running a business, the early stages of building an investment portfolio, and more.

50s

Join the *50s Network* to connect with peers who are navigating the unique challenges and opportunities of midlife. For Members who are ages 50-59, share insights on family, leadership, legacy building and personal growth with fellow Members in this dynamic and supportive Network.

60+

The *60+ Network* within TIGER 21 offers a vibrant space for Members who are embracing the prime of their lives. Connect with peers to explore topics from legacy planning, impactful philanthropic endeavors, to pursuing personal passions. Share your wealth of experience and insights while learning from fellow TIGERS

SINGLE MEMBERS

This community emphasizes friendship first and is dedicated to making the most of life while single! Members engage in Network discussions, participate in virtual Meetups, and attend in-person events.

WOMEN OF TIGER 21 (WOT)

A Network for Women Members to share experiences and insights in TIGER 21.

IMPACT NETWORKS

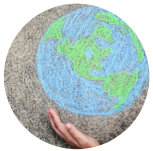

FAITH

The *Faith Network* is an inclusive community where TIGER 21 Members from all faith backgrounds gather to exchange resources, forge impactful relationships, and inspire each other. This Network is creating a world where faith informs action, and connections lead to shared growth and understanding.

FAMILY OFFICE (FON)

The *Family Office Network* provides a space for Members to connect and engage with each other on succession and legacy planning, governance best practices, and philanthropic and estate planning topics. This Network is open to all TIGER Members who want to come together to share expertise, learn from subject matter experts, and participate in virtual meetings, online discussions, and family office-focused events.

HIGH IMPACT PHILANTHROPY

The *High Impact Philanthropy Network* is an invitation-only group of Members who are already engaged in significant philanthropic activities that represent major portions of their time, energy, and resources.

PHILANTHROPY

The *Philanthropy Network* serves TIGER 21 Members and Chairs interested in connecting around philanthropy. Its purpose is to connect, inform, inspire, and build community to foster greater philanthropic involvement and impact. Additionally, this Network provides a central source within the TIGER 21 community for awareness, advice and coordination of philanthropic activities through regular Meetups and events focused on various philanthropic areas.

POST LIQUIDITY

This Network is a place for Members who have recently experienced an exit and are working through what's next. This Network offers Members a chance to connect and engage with each other and external subject matter experts on practical concerns such as choosing financial advisors, gaining or deepening investing knowledge, safeguarding their wealth, and estate planning. Additionally, Members can share best practices for a making a successful transition post-exit. Meetings will take place virtually as well as via periodic in-person retreats. This is a non-solicitation Network.

LIFESTYLE NETWORKS

AVIATION

This Network is designed for Members who are interested in aviation. Whether you own an aircraft, are a pilot or a passenger, or are a hobbyist, welcome! This is your sky.

BOATING & YACHTING

Share knowledge, make friends, and have fun exploring the world of boating and yachts. Whether an experienced captain, have a crew or just starting out, every TIGER 21 Member is invited to join us and dive into a world of maritime adventure.

BOOK CLUB

The TIGER 21 *Book Club Network* offers Members the chance to engage with leading authors and fellow Members on diverse and thought-provoking subjects. Participate in discussions with renowned writers, explore carefully chosen topics that spark inspiration, and draw insights from the collective wisdom of our organization.

FISH & GAME

For fishing and hunting enthusiasts, this space offers the chance to organize trips, exchange knowledge, and elevate outdoor passions with fellow Members.

Members of the Fish & Game Network must adhere to legal and ethical standards, respecting wildlife, local cultures, and sustainable practices, while avoiding the depiction or promotion of illegal activities or endangered species.

GOLF

Welcome Golf enthusiasts! Home of the TIGER 21 Golf Directory, this Network offers a bespoke service that allows Members to foster connections with fellow golfers, enjoy the benefits of reciprocal course play, and anticipate much more on the horizon.

HEALTH & WELLNESS

This Network is for Members interested in learning more about how they can live a healthier life; from tips from wellness experts, to reviews of the top retreats to attend.

LIFESTYLE NETWORKS

LUXURY ASSETS

The *Luxury Assets Network* is a nexus for Members of the TIGER community to discuss, share, and learn about trends, events, and market-moving developments in the art, wine, whisky, jewelry, watch, and other tradeable luxury goods categories. Network programming will consist chiefly of virtual events and draw on subject matter experts from within and outside of TIGER, complemented by select in-person experiences.

MOTORCARS

Whether Members' interests align with supercars, vintage cars, collecting and investing, or if new to the world of automobiles — all are invited to join in the discussion.

PICKLEBALL

Bringing Members together through the fun and social competition of pickleball - on and off the court!

SCUBA DIVING

This Network is for TIGER 21 Members who enjoy scuba diving — from the diving curious to the technical diver, this is the place to discuss diving, plan diving trips, and share industry news!

SKIING & BOARDING

This Network is for Members interested in skiing and boarding; from sharing tips to access the top slopes and back country tours, to the best places to après ski.

TRAVEL

This Network is for Members interested in travel and leisure activities; from finding the yet undiscovered gems around the world to visit, to sharing vacation home spots to exchange.

WINE & SPIRITS

This Network is for Members interested in wine and spirits; from sharing tips to locate rare vintages, to exclusive access to world-renowned distilleries and vineyards.

INVESTMENT NETWORKS

CLIMATE INVESTMENT

This Network is for Members interested in and/or already actively investing in companies, funds, ventures, and philanthropic organizations working to mitigate climate change.

CRYPTOCURRENCY

This Network is for Members who are interested in cryptocurrency markets and digital money. It offers them a place to engage each other on industry trends, investing ideas, and learning, as well as share information — whether they are new to the asset class or leaders in their fields.

EMERGING TECHNOLOGY

The *Emerging Technology Network* is for Members interested in learning about, discussing, and sharing information, developments, and investment strategies in the AI, IoT, AR/VR, and space systems sectors. The Network's focus may be expanded and/or shift over time as new technologies come into play.

PRIVATE CREDIT

The *Private Credit Network* provides opportunities for Members to connect and engage with each other on developments and investments in the \$1.5T+ private debt markets including mezzanine loans, private placements, distressed, and special situations.

PRIVATE EQUITY (PEN)

PEN is the place for Members — those with experience in private equity and those without — to discuss current trends in the sector and to participate in regular Member Roundtable sessions.

REAL ESTATE (REN)

REN is a Network for Members interested in discussing and sharing information on investment strategies and trends in the real estate sector. REN has two Member-led subclasses: Industrial and Multifamily.

VENTURE CAPITAL

The *VC Network* provides a forum for Members to discuss and share views on current trends and activity across different stages, sectors, and geographies of venture capital investing.
